9/26/2018

Note: Beginning Fall 2010, Federal Reporting Guidelines required institutions to collect ethnic/race information in a two question format. Students who answered the first question (Are you Hispanic?) in the affirmative are included in the Hispanic counts but may have reported other ethnicities for the second portion. Students answering no to the first question were allowed to select one or more ethnic categories in the second portion. An additional ethnicity, Native Hawaiian/Pacific Islander, is included in the second portion selection.

If a student has multiple ethnicity categories, they are now included in the category: Multiple Ethnicities. All students in the multiple ethnicities category have at least one minority ethnic group and therefore are included in the overall minority count. Nonresident Aliens are coded based on citizenship status (alien temp).

Fall 2013 - Fall 2018**

=====> Do not distribute until the Board of Regents releases enrollment/FTE information (~ 9/26/2018) <===== **9/26/2018**

Note: Beginning Fall 2010, Federal Reporting Guidelines required institutions to collect ethnic/race information in a two question format. Students who answered the first question (Are you Hispanic?) in the affirmative are included in the Hispanic counts but may have reported other ethnicities for the second portion. Students answering no to the first question were allowed to select one or more ethnic categories in the second portion. An additional ethnicity, Native Hawaiian/Pacific Islander, is included in the second portion selection.

If a student has multiple ethnicity categories, they are now included in the category: Multiple Ethnicities. All students in the multiple ethnicities category have at least one minority ethnic group and therefore are included in the overall minority count. Nonresident Aliens are coded based on citizenship status (alien temp).
